

PROBLEM GAMBLING REGIONAL SUMMIT AT SANTA ROSA

**FREE
CEUs!**

Thursday, October 7, 2010, 9:30 am to 3:30 pm (REGISTRATION @ 9:00AM)
Finley Community Center, 2060 W. College Ave., Santa Rosa, CA

SELECT ONE WORKSHOP PER SESSION:

Session I 11:10-12:10 A or B

(A) Native Americans & Problem Gambling

Learn about the unique issues faced by Native Americans and how they impact the development and maintenance of problem gambling.

(B) Treatment of Pathological Gambling:

This workshop provides an overview of pathological gambling treatment - including assessment, treatment modalities and clinical resources.

Session II 1:00-2:00 A or B

(A) Women & Problem Gambling

Learn about the unique issues faced by women gamblers including approaches for working with female problem gamblers.

(B) Neuroscience of Gambling Addiction

Learn about the neurological process of gambling addiction and implications for pathological gambling treatment.

Session III 2:00-3:00 A or B

(A) Older Adults & Problem Gambling

Learn about the prevalence and unique risk factors that may predispose seniors to gambling addiction and ways to work with older problem gamblers.

(B) Family-Centered Problem Gambling Interventions

This workshop provides an overview of how to work with family members and loved ones of problem gamblers – including modes of family therapy and resources for financial protection.
